WITH BIRTHDAY FESTIVITY

What is a birthday without a party? All of this was taken into consideration at Trevecca, as she celebrated her 75th year. It was a joyous occasion attended by a large number of Trevecca people. There was a huge banquet, special guest speakers, special music and even a birthday cake for all!

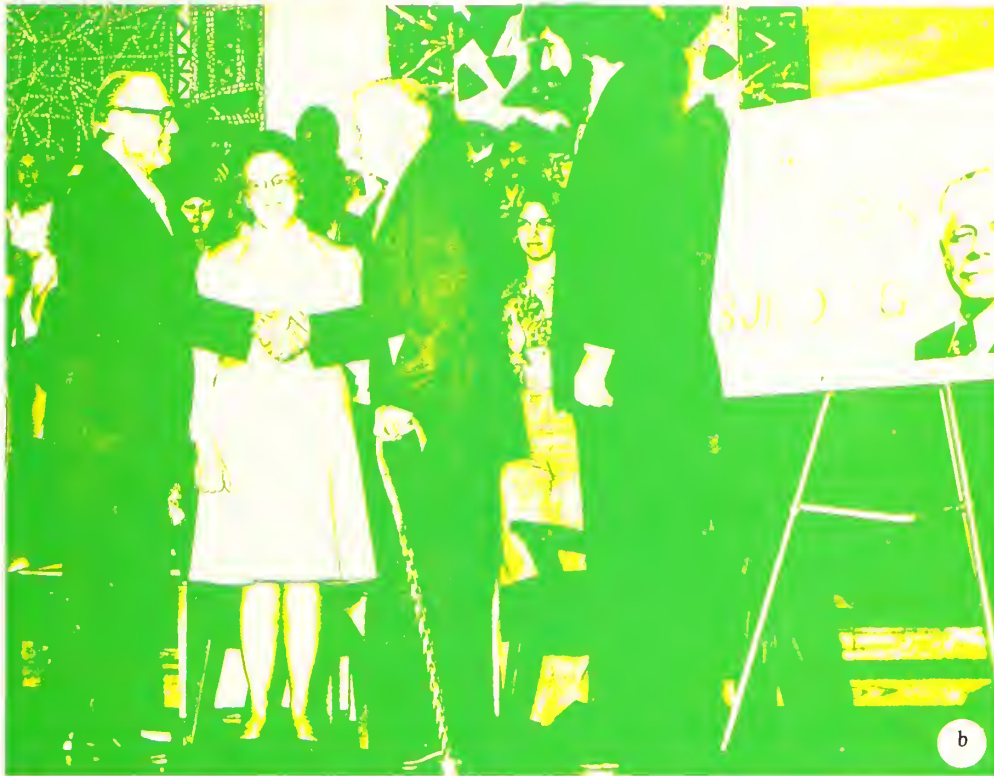

1) President Moore welcomes the guests to the Birthday Dinner b) "Pek" Gunn, Poet Laureate of Tennessee, entertains the crowd with his poetry c) The Birthday Party d) Special guest speaker, United States Senator Bill Brock of Tennessee 3) Stucco officers lead in the traditional "Happy Birthday" song to T.N.C. Opposite Page a) Professor Toby Williams presents Dr. Moore with a collection of old Trevecca publications b) Dr. Moore congratulates A.C. TREVECCA CELEBRATES 75 YEARS

... there were many activities over the 75th anniversary weekend. One was the "Laying of the Wreath" at MT. Olivet Cemetery in memory of J.O. McClurkan. Another was the naming of the Fine Arts Bldg., in honor of A.C. Wakefield.

It was a good time for reflecting on past days ...

LYCEUM PRODUCES FINAL TOUCH

The Lyceum Committee added a special touch to the 75th anniversary. Jonathan Welch was presented in concert. He is a graduate of Olivet Nazarene College, and a voice major. Before going into evangelism, Mr. Welch sang for two years with the Lyric Opera of Chicago. It was quite entertaining as he changed from a distinguished tenor soloist to a poor man in excerpts from "Fiddler on the Roof."

Encounters also made appearances during the 75th celebration. They entertained for the Anniversary Dinner. Celebrating in song could well be a theme for the 75th birthday of T.N.C.

FRESHMAN DUTIES

You never realize the true meaning of being a Freshman, until you have gone through initiation. There was mixer by the Sophomore class in which you were placed into a group and called chickens, horses, cows, or ducks. This was an idea to get to know everyone better! Also the Sophomores put on a special program of skits and songs in honor of the Freshmen.

The favorite day of all was the final-Beanie Day. What a sight! Clothes on inside-out, wrong shoes, pajamas and faces all made-up. It's all in part with the duties of a Freshman.

FALL RETREAT: CELEBRATION

A celebration weekend to celebrate life and God's love was what it was all about. Around 200 students and a few faculty mixed-in, emerged to Standing Stone Park, for a time to refresh. Terry Langford, took charge of keeping activities going. There were campfires, hikes, Bible study, and would you believe pollock baseball?

SENIORS RESPONSIBLE FOR GATHERING

Spooks and goblins prevailed around Trevecca at Halloween. It was the Senior's responsibility to bring off the Halloween party. The place was the Riverwood Plantation, and the activities included apple-bobbing, Ridge-Runners and a hayride.

Dinner in the cafeteria was topped off with a costume judging. There were all sorts of shapes and sizes of things walking around.

SCAREY CREATURES AT T.N.C.

V.I.P.'S VISIT CAMPUS

Three different groups of V.I.P.'s visited Trevecca's campus this year. These future students came from several churches across the Southeast Educational Zone. The Freshman class provided entertainment through a Variety Show with music and skits. The weekends were an attempt to introduce them into college life.

DANNY LEE/ESSENCE

ESSENCE (Es'ns) N: the basic underlying, unity, form, and substance of something.

Essence is the word not only on the album cover by Danny Lee, but a word which describes him and his group. Trevecca warmly received the concert sponsored by Stucco. Danny Lee writes many of his songs. He combines his talent with the Children of Truth, to put together a rich, young, contemporary sound.

In the delay to get the concert started, Danny passed the time by singing songs to the waiting crowd. He proved his ability to write songs when he brought Sherry Boyer on stage and worked up a song about her. The concert ended with a grand applause, happy hearts, and enriched souls.

CIRCLE K TAKES PART IN VARIOUS ACTIVITIES

The yearly Volleyball Marathon started with a game between Circle K and the Administration. Circle K was in charge of the deal. They were being sponsored by many to raise money for the Alumni Scholarship Fund. Several started out in the race, but there were only very few who stuck it out the whole eighteen hours. After that, three girls and two guys received much deserved sleep!

REVIVALS INVOLVE STUDENTS AND CHURCH LEADERS

Dr. Edward Lawlor, General Superintendent of the Nazarene Church, was the evangelist for the Fall Revival. Rev. Dallas Mucci gave the opening convocation.

Our own senior religion majors, were the speakers in the Student Revival. It was definitely a time of dedication and commitment.

LECTURES

This year the Staley Lecture Series presented Rev. Eugene Williams, a graduate of Trevecca and the Nazarene Theological Seminary, as the guest speaker. Rev. Williams has always been interested in young people and the students of Trevecca welcomed him with open arms.

No one could be more qualified to speak in the William T. Slonecker Lecture-ship than William T. Slonecker himself. Dr. Slonecker presented lectures and lead seminars in his vocational field, medicine. Dr. Slonecker has taught various Health Education classes for Trevecca since 1962. He is presently serving on the President's Advisory Council.

VALENTINE QUEEN KAREN CARRIER

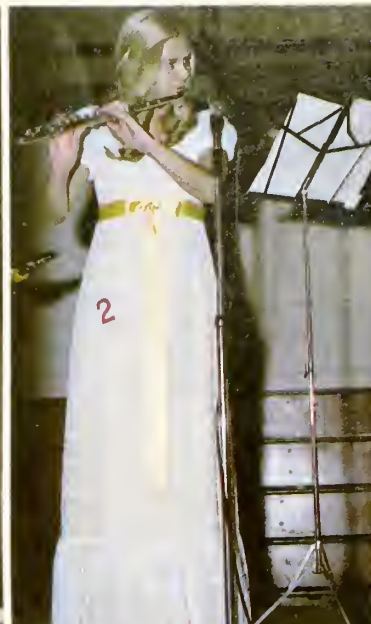

TRACES OF LOVE BY SOPHOMORE CLASS

TRACES OF LOVE

Faded photograph, covered now with
lines and creases
Tickets torn in half, memories in bits
and pieces
Traces of love, long ago, that didn't
work out right
Traces of love.

Ribbons for her hair, souvenirs of
days together
The ring she used to wear, pages from
an old love letter
Traces of love, long ago, that didn't
work out right
Traces of love, with me tonight.

I close my eyes, and say a prayer,
that in her heart
She'll find a trace of love still there,
somewhere
Traces of Hope, in the night, that
she'll come back
And dry these traces of tears from my
eyes.

DOWNINGS ACCEPTED AS HONORARY STUDENTS

Trevecca fell in love with the Downings a long time ago. So in order to say thanks for the times they've come on their own free will, the Downings have been accepted as honorary students. Sherry Foster, representing Student Council made the presentation. You know of course to be a student you must own a beanie and partake in the big T.N.C. activities. As Sherry said, some of those included, "Sitting on the wall ... riding the Towers elevator ... and paying tuition!" This is to say a big thanks in a small way to Paul, Ann, Dony and Joy.

SUNCAST, MICKI AND BECKY, NORMAN LUBOFF

Trevecca sponsored several concerts this past year. Some of them included Sunecast, Micki and Becky Moore, and the Norman Luboff Choir. These were evenings to get away and relax in the spirit of music. Many of the sounds were contemporary but Lyceum sponsored an evening of a variety in music from the Norman Luboff Choir.

BENSON LECTURER FOR 1976, BOB BENSON

The late John T. Benson Lecture Series is held annually in memory of the late John T. Benson Sr. The family name is a traditional one at Trevecca. Mr. John T. Benson Jr., provides the funds yearly to make this series possible.

April 13-16, 1976 were the days in which Bob Benson arrived on Trevecca campus to give each time, a special insight on life. Rev. Bob Benson is a Nashville music publisher. He graduated of Trevecca and Nazarene Theological Seminary in Kansas City, after which he pastored in California prior to joining the family business which he now co-owns.

Bob Benson is a noted humorist and philosopher, a very popular speaker. The lectures he gave were very well received. The chapel would calm down to complete silence as everyone sat intently listening to the soft-spoken, drawn-out phrases. He would get the look of a small child all most on his face and say the unexpected. Everyone was caught in an uproar of laughter several times. Bob, with his trite phrases and sensitive feelings put a big challenge in many people.

T.N.C. ACTIVITIES ARE NUMEROUS

Chapel services involve various activities. One highlight this year sponsored by Stucco, was a beardgrowing contest in part with the bicentennial. An electric shaver was presented to the winner at the end of the two month period. Another taste of variety was Henry Harrison and Dan Wolglenuth, who visited from New York. Bringing the message in song, as part of a fun time Henry attempted to bring out the soul in all and make chapel attendees "black Baptists"

LOVE TNC STYLE AND PAT TERRY GROUP

Twirp week brought on many different spectacular events. The whole week was centered on the girls asking out their favorite guys. It was not unusual at all to see some girl with a different guy each night. It was a good way to show the guys how it really should be done!

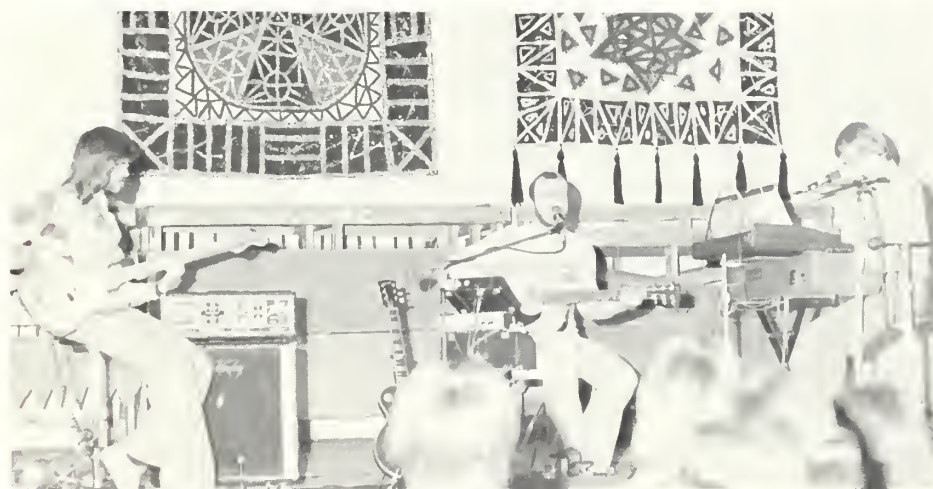

Some of the events included the Newlywed and Dating Games, concerts, a skating party, "The Cross and the Switchblade" film and the WNAZ Grand Ole' Opry. All of these activities were sponsored by various clubs and organizations.

THE DYNAMIC "HOPE OF GLORY"

FACETS OF T.N.C. LIFE

Trevecca has many little activities throughout the year to keep the action going. A couple are shown on this page. You see Jerry Hull finally getting to drink from a fountain in the ever-popular student center. Phyllis Carter awarded Mr. Hull with a plaque from Student Council for his eager endeavors to see the fountain finally put in for use. Dan Kerston, the champion weight lifter at T.N.C. shows off his strength in the Nashville Powerlifting Contest. Yes, you see Trevecca has variety!

BOJO CELEBRATES TWO YEARS

The Bojo Mime Company is a dream of two Treveccans. They are Bob Johnston and Joey Condon. The idea of their ministry is to witness through pantomining. They celebrated a birthday this year and gave a party for the whole campus with a show included. It began with lively music, then calmed to silence for the shows and for a grand conclusion, smiles were passed out to all.

It is a unique experience to watch the actors and actresses portray so vividly their roles. It sounds wild but after watching it, you know that Bob and Joey put God in as center of this ministry.

RICHARD NORTH REIGNS AS

“IF YOU HAVE KNOWLEDGE, LET OTHERS

The 1976 graduating class made their final march on May 23, 1976. It marked the end of school days and finally the time had come for each to begin a new life as one's own individual. There eventually comes a time in each person's life when they can no longer rely upon the security of home, parents and school. That time has come for the '76 graduating class to go forth with their knowledge and no longer depend on others but — themselves. Congratulations and God's speed to you all.

LIGHT THEIR CANDLES FROM IT."

OUR PLEDGE

“When I want to understand what is happening today or try to decide what will happen tomorrow I look back. A page of history is worth more than a volume of logic.”

Oliver Wendell Holmes

In facing the next quarter of a century, we have endeavored to look back over the 75 years of Trevecca’s existence. This DARDA preserves part of our history for the benefit of those of the future.

When Trevecca began in 1901, our founders were gifted with vision, faith and commitment. We were limited in physical resources, students and size of faculty. We were strong on quality of love, concern and lofty goals. Through the years there have been many heartaches and blessings — defeats and victories. But the purpose of Trevecca, to provide the finest quality education and training in a strong Holiness environment, has remained constant.

Although the campus has been moved from place to place, many different types of facilities have housed the classes and students, the curriculum has been restructured to meet new and different needs, the loyalty of those who have loved and served her has been consistent with the heritage of Christian ideals and sacrificial dedication to truth.

The warning from Will Durant, “Those who do not know history are forever condemned to repeat it,” is certainly relevant for us. We know the landscape of history is strewn with the wreckage of nations that forgot God.

Today under the constraining love of God and the compelling concern for a strong educationally-spiritually sound college, we as “sons and daughters” pledge ourselves to the task of contributing to Trevecca for the future generations.

EXTRAMURAL FOOTBALL

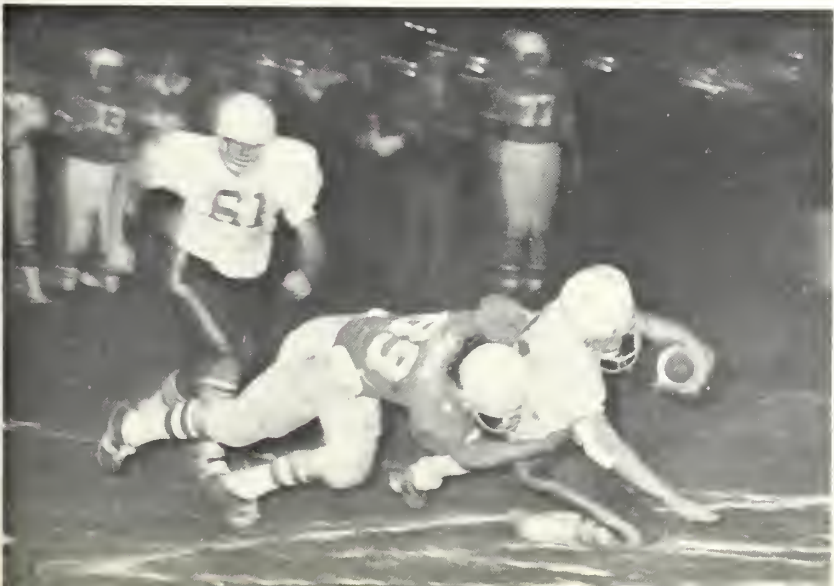

This year the college granted T.N.C.'s intermural football champs (GAMMA) the right to play an extramural football game with Lipscomb College. It created a lot of excitement and school spirit. We travel across town for the "under the lights" event. The "Big Green" played valiently, but were overpowered by the Lipscomb intermural champs.

Clockwise From Left to Right: Tommy Todd prepares to unleash a pass, O'dean cuts off the escape route, Coming from behind, Richard North corrals the Lipscomb ball carrier, Moore leads the way for Bill Spencer, The two lines fire-out towards each other.

Top to Bottom: Soloky gains control of his opponent; Sitting out Jeff escapes from the bottom; The Brown brothers show what family competition can be.

A Memorial to Brian M. Neeley
October 5, 1954
June 25, 1975

Attended Trevecca 1973-1974

HE WAS OUR BROTHER
by
Norman D. Neeley

He was our brother; his existence so dear.
His lingering presence was always near.
His life was so radiant, his face was so bright;
His actions were thoughtful — his deeds were so right.

We loved him dearly; his family and friends,
Until the day of his tragic end.
A divine plan for this, we know was in store
Because it seemed that God needed our brother more.

At first we were sad; but began to rejoice
When we heard the sound of a comforting Voice;
"The Lord is my Shepherd, I never shall need.
Beside the still waters the Savior will lead."

So we have committed our brother to Him,
And also our futures that lie therein.
Among the Knowledge these experiences bring,
We now know our brother is wearing his wings.

The sights and sounds of a school year ... how do you remember them? This has been a good year to be Darda editor. A lot of activities, a good staff, and excellent suggestions have all helped produce this yearbook and all the memories it will kindle in the years to come.

There are many people to thank. First, the staff workers who have personally created much of the layout and design. Then, our company representative, Harold McGeehee, who has come and helped the staff every time he was asked. Last, but not least, is my wife Liz. She is an unofficial staff member because of her patience with me and her help in typing much of the copy for me.

I hope you'll enjoy this yearbook. You (the student body) really were the most important element in the creation of Darda '76. Without you, there would be no Trevecca and I would not have had the joy of serving you.

Sincerely,

Randy
