THE PRESIDENT'S MESSAGE

While the United States and Russia are in a contest to see which can excel in the development of guided missiles and the launching of satellites, a Nazarene college should enter a contest to see who can win in guiding young people toward a higher level of Christian living.

The leading nations of the world are feverishly working toward either an offensive or a defensive warfare. However, it is likely that none of them are now admitting that they are preparing for an offensive warfare. I think that Trevecca College should admit, without hesitancy, that we are preparing for

an offensive warfare against "principalities and powers and wickedness in high places."

I hope that Trevecca students will feel as happy about launching higher ideals of Christian living as the army was in launching the Explorer.

According to the Bible, "Righteousness exalteth a nation, and the nation whose God is the Lord will prosper." So, to the extent that Trevecca's goal is to exalt righteousness, students and faculty will be doing more for peace and prosperity than any or all of the military powers of the earth.

A. B. MACKEY, *President*

Mrs. Mackey and Gene enjoy reading together.

Springtime at the Mackeys.

MISS MABEL COONER *Head of Speech Department*

For our dedication we looked all around
To honor one worthy, and in you we found

A Teacher—

One who goes about her tasks
With a conscientious ardor;
One who makes hard lessons easy,
And easy lessons harder!

A Friend—

One who helps us solve our problems
With an understanding view;
One who directs our undertakings,
And who sees that we "come through."

An Example—

One who starts each new-born day
With a fitting Bible phrase;
One who exemplifies her Christ,
And who speaks and sings His praise.

Now we dedicate this DARDA to—
we didn't tell you sooner?
Have you guessed it anyway?—
To you, Miss Mabel Cooner!

TOP: You're popular now, Miss Cooner. **CENTER:**

It has been said that "a teacher affects eternity: he can never tell where his influence stops." This thought is very applicable to the faculty of T.N.C. These godly men and women have shown their true devotion to God, not only in chapel, but in the classroom, on the campus, and in every other phase of life.

Dedicated to Christian education, the members of the T.N.C. faculty are always ready to lend a helping hand in time of trouble, to aid in keeping

LIFE SERVICE

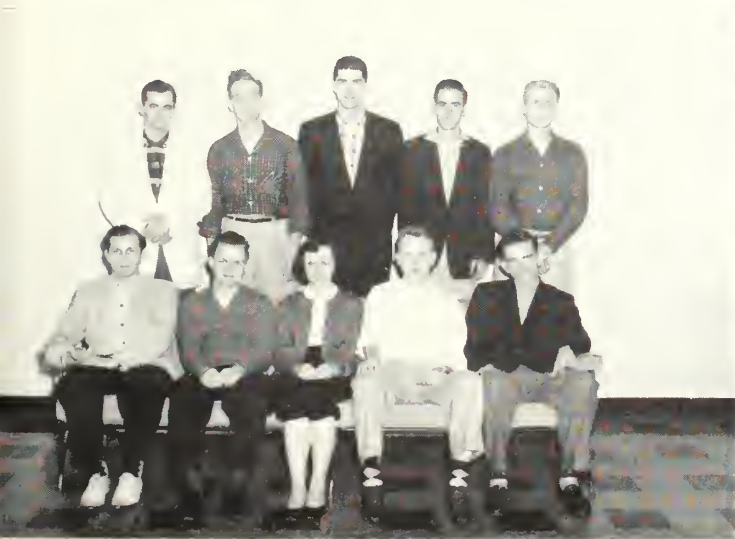

How big is Trevecca? What does the school have to offer me? Is a college education very expensive? These are a few of the questions which face the Life Service Representatives as they go about their task of interesting young people all over the southeastern zone in a Christian education. Under the watchful eye of Rev. C. E. Keys, this very important part of the college program is successfully carried out and many students become interested in Trevecca through this department.

PERSONNEL SERVICES

Trevecca College is very unique in its services to the students. It has counseling in almost every phase of living. Each counselor takes a personal interest in the student's problems, and shares his anxieties with him. This part of the college program is designed with the individual student in mind, and with Professor Phillips as the head of this department, it has made noticeable gains in the past year.

We brought Pilate back to life in our class play.

"Bless This House" was the setting for our Thanksgiving Banquet.

Well, we didn't think we would make it, but June 10 is almost here and our diplomas are awaiting us. When we receive that scroll of paper, we are supposed to be better men and women in order to meet the challenge of life. But what does the future have in store for us? This is something no one knows, but we hope that as we leave Trevecca our lives will prove a blessing to others.

Can you imagine?—four years of college life behind us. Oh, the fond memories we have as we look back over the pages of time of our stay here at dear old T.N.C. Do you recall the week when the Sophomores welcomed us into college life in a grand fashion? How about all those banquets we sponsored? But we wouldn't exchange one minute

we have spent in the activities of the class. Then there were our class plays—prayer meetings—revivals—athletic defeats and victories—chapel services—class of the year honors—the Senior outing, which was loads of fun—Baccalaureate—Commencement—oh, yes, Commencement—we're sorry, we were just reminiscing!

Maybe we were a green bunch of freshmen, but our years here at the college have changed us a lot. We have made many lasting friendships among the students and faculty, and as we go out into life to make new friends and meet new situations, we will pause now and then and recall these friendships and all of our good times here. For a man with many pleasant memories is a wealthy man indeed. But getting back to the present, we have reached our goal as seniors and will soon become T.N.C. graduates. Congratulations are in order—we made it!

The week the girls took over.

First prize winners at Halloween Party.

"Ours will be the best junior class yet," we boasted last September. Now we have a year's memories instead of a goal. However, we have had a great year. Remember the Halloween party? We really gave the students a scare that night. Then there was that memorable Junior-Senior banquet. The seniors really were treated like kings, and we enjoyed it, remembering, of course, that next year we will be the recipients of this big occasion.

Reading from left to right: Janey Little, Mildred Pearson, Donnie Smith, Roy Miller, Professor Wise, Roberta Stogner, Larry Schulz.

"Got your class dues?" . . . "Now what did I do with my trial schedule?" . . . words like that bring a smile of remembrance as we think back over the year and are thankful for the co-operation and wonderful spirit we had in the class. The "grown-up" feeling that came with the title of "upperclassmen" soon disappeared as we faced new and trying situations. How thankful we are, though, that as we face our senior year, we have the assurance that no problem is too big for the Lord, and if we pray and ask His guidance, we will be able to make our last year together the best one yet.

We sponsored the Valentine Banquet.

Sophomore "Prexy" & Date.

When we stepped up to the starting line two years ago, there was a buzz of activity as we prepared to embark on the four-year lap ahead of us. Registration proved both exciting and complicated. We were very glad when this part of our race was over.

Afterwards there were many new problems we had to face—entrance examinations, adjustments to life in a dormitory, and of course we had to organize our class. Most obstacles, however, we took in stride, reminding ourselves that we were

just beginning to gain strength for the second lap.

New enthusiasm marked the beginning of the sophomore year. Having made the first lap successfully, we now had the privilege of initiating the new runners. We really had a grand week of activities for the freshmen. Also, we sponsored the Valentine Banquet, which will long linger in the hearts of the students.

This second lap has taught us that only the best runners ever finish the race. So as we pass the half-way mark, we plan to enter our junior year as experienced runners with a greater determination to put forth every ounce of strength, if necessary, in order to reach the goal.

The Prexy has been a good boy.

Timid . . . shy . . . green . . . scared . . . we arrived . . . arrived for our first year at college. We considered ourselves full-fledged, "grown-up" college students, but we soon discovered we weren't so grown-up after all, because we developed a case of "home-sickness"; but the letters from home really helped to cure the main part of our sickness. We were introduced quickly to entrance exams, to registration, with its maze of details, to dormitory rules, and hours in the library, and to longing for mother's home-cooking.

Reading, left to right: Rudy Jones, William Nichols, Bennie Bryant, Edna Rhea, Mack Ellis, Al Woods.

Back-woods brothers.

Then along came recognition week, which proved to be very enjoyable, and we began to feel more settled down to college life—thanks to the Sophomores. After the first Western Civilization and Biology tests we really knew we were in college. The first chapel service proved to be a great inspiration, and we began to feel more like we belonged here.

We have made many new friends during the year and also many new resolutions at the beginning of a new quarter to do better work. Our "key word" may well be "perseverance" from now on, because in the future we can see a graduation gown and a diploma.

SUMMER SCHOOL

A poet once said "Summer afternoon—summer afternoon; to me those have always been the two most beautiful words in the English language." When the warm breezes glide quietly over the grass, and tip-toe around the corner of the class-room, schooling can become a rather laborious task. The fishing rod beckons, the long-country hikes call us and the birds sing us a song of the outdoors, but some of our best work is done in summer school.

CHAPEL TIME

The brightest hour of the day on T.N.C. campus is when the students gather together for the chapel service. These moments of worship together inspire us to be better Christian living. The glowing sermons and radiant songs plant a greater desire within the students to do more for Christ.

The goal of Trevecca College is not just to have young people who have gained a lot of knowledge, but to have them make a greater contribution toward the upbuilding of the kingdom of God.

Many students at T.N.C. are preparing for full-time Christian work. These activities offer opportunities for preparation for their future work. Since Jesus gave His disciples this command centuries ago His work

has gone forth around the world where there are willing hearts to accept the message. We should give thanks for this organization which is so vital a part of our college.

It has been said before that the family that prays together stays together. This band of consecrated young people boost the family of missionaries who are now on the field. Trevecca students who are preparing to be missionaries and those who will be laymen boost together through the weekly hour of prayer and fasting. We are fortunate to have this organization as a part of our college life.

PROF. RAMON UNRUH
Director

If you hear the familiar strains of "Higher Ground" or "He Lifted Me Out" coming from the Fine Arts Building, you'll know the A Cappella Choir is practicing. As a reward for their diligent practice the choir embarked on a tour of the southern section of our zone. Taking their sunny personalities into sunny Florida, the tour was a big success as they brought to the Nazarenes of the South the message of God in song. Not only the music, but also the spirit in which they sang will linger long in the hearts of all who heard them.

TRAVELING GROUPS

Interesting the students in Trevecca College is the primary task of the groups that travel for the school. Singing their way into the hearts of the young people across the zone with the message of God, these representatives gave the prospective students a sample of college life. Students travel to Florida in the winter as well as canvassing the whole zone during the summer. This work is one of the most essential parts of our college program, and under the capable direction of Rev. C. E. Keys it is carried on very successfully.

The organization which is the voice of the students on the campus is the Student Council. The group advises the administration of the desires of the students. They are in charge of organizing the clubs and seeing that we have Friday evening programs. This year a Philosophy Club was organized on the campus.

The Student Council also adopted a general All-School Project of buying an electrical bell system for the school with all the classes and clubs on campus contributing to the project. Work was also begun to revise the Student Constitution.

A very interesting and educational lecture series was presented this year by Fred Parker, editor of our youth magazine, *Conquest*.

Music is the key which unlocks most any door. This year through the 1958 DARDA we have gained entrance to that room marked "Memories . . . Do Not Disturb."

This year the DARDA staff has attempted to give you a musical approach to the past year. In these pages, after untiring work by the staff, activities have become a reality again, and we hope that you will be able to relive some of your happiest moments of the year as you leaf through the pages of this book.

When I look at the book I can't help but see WESLEY'S touch in it, RONNIE'S photos, the literary talent of JAN, the sporty ideas of ED, ROBERTA'S clever snapshots, HELEN'S efficiency, MARY'S endless work at the typewriter, the business methods of ASA and his assistant, JO LYNN. We couldn't have made it without them, MARY ANN'S artistic talents are also evident. Other members LEE, JOE, JAY, and MARTHA serve to round out an excellent staff. For want of a better word I'll just say a sincere "thanks" for a job well done.

This year marked the beginning of a new era for the *Trev-Echoes*. For the first time in many years a boy was elected editor of the paper. Jack Phillips and his staff have done a very fine job with this year's editions. The increase of photos and the professional journalistic appearance of the *Trev-Echoes* have made a big hit with the students.

Reporters composed of the members of the Journalism Class have co-operated faithfully in making this a successful year for our official publication. Gene Reynolds did an excellent job handling the business side of the staff, and Mrs. K. W. Phillips and Professor Richardson did equally well in their sponsorship of the paper. From the students we say a hearty "thank you" to this year's staff.

Comparing and looking over past issues with Mrs. Phillips.

A glimpse of the *Trev-Echoes* office finds Helen, Patsy, and Jack hard at work.

RECITALISTS

Each year the Fine Arts Department presents recitals by Juniors and Seniors who are majoring in applied music or speech. This year was a very good one as far as the quality of talent was concerned. The increase in speech programs was characteris-

tic of these past presentations. "The Three Majors of the Christus," for example, will not soon depart from the memories of all who heard.

To describe these programs it would be best to say "beautifully done."

Competition in society organization was keen and interesting this year, and the man power seemed to be well-distributed. On the grid-iron, the powerful Delta team, under the captainship of seasoned halfback Ed Whittington, ran off with the football championship, with the Alphas and Betas trailing.

The Alphas got a good start toward the basketball crown at the beginning of activity, and maintained their lead position throughout the season, while the Betas and Deltas fought in the background for second place.

This season's softball battle has been hard fought; the winner is deserving of the title.

This year a well-balanced Delta squad opened the fall's athletics activities by winning the football championship. With "Monte" Lobb leading the way scoring five touchdowns, the Deltas compiled a seasonal record of seven wins, one loss, and two ties.

the loss of their tailback, Toby Williams, at mid-season cut down on their scoring punch.

The Deltas and All Stars staged a hard fought battle for most of the afternoon in the annual T-Bowl. The Deltas finally pulled the game out of the fire with a 13-7 victory.

plus a post season victory over the All Stars in the T-bowl.

Close on the heels of the champions were the running Alphas with a record of 5 wins, 4 losses, and 1 tie. In third place was the tough Beta society. Although their 2-7 record doesn't indicate an abundance of power,

Gary Briggs, who directed the Deltas all season from his tailback position, was again master of the occasion as he passed for large yardage to Hedgepath and Lobb. This game climaxed a very successful football season for the boys of T.N.C.

The referee's whistle blasted shrilly, two opposing centers jumped at mid-court, and the '57-'58 basketball season was ushered into existence. Starting with that first "two pointer", the Alpha society poured on the steam and built up an 8-3 season record. Wendy Poole, an all-around hustler, led the champions in scoring with 102 points. He was aided by the good teamplay of Charles Decker, Moody Gunter, Direlle Baird, and Wayne Murphy, and James Spruill.

Second place in the running went to the Betas, who boast this year's top scorer, Jim Hampton. Jim swished the nets for 180 points.

Although Monte Lobb averaged twenty points per game, the Deltas could manager

no better than third place in the final standings, after a poor start put them behind.

Following the regular season, the players elected eight members to the All-Star team. These All-Stars defeated the champion Alphas in a hard-fought, post season contest, 45-40.

All-Stars: Wendell Poole, Ed Whittington, Jim Hampton, Charles Decker, Bob Templeton. Absent: Monte Lobb, Wayne Murphy, Moody Gunter.

The disappearance of the cold winter winds and the entrance of the balmy breezes of spring bring about the favorite sport of both the girls and the boys at T.N.C.—softball. A fine Alpha team took the championship last year, but this year was challenged by the Beta and Delta teams who have added to their strength through the society recruiting system. All in all this coming season provided many thrills for both participants and spectators.

A typical springtime activity.

GIRLS' SOFTBALL

This year the girls of T.N.C. had a fine season in basketball. The winning team was the Alpha Society. Led by Roberta Stogner, Beverly Forman, and Margaret Warwick the team lost only one game during the regular season. Formidable competition was provided by the Deltas and Betas who also did a fine job on the hardwood. Sportsmanship and fair play were characteristic of this season and the girls should be congratulated for a job well done.

Faculty and Fellow Students;

With mingled emotions of sadness and happiness, we leave these halls to venture out into a new realm of life. We are sad, for we hesitate to leave our friends and our 'home' which we have made these four memorable years. Yet, we are happy, for even though we must leave and take on new responsibilities in our chosen fields of endeavor, we have been privileged to attend a holiness college, "dear 'ole T.N.C."
