TREVECCA . . . A TRADITION

A senior, looking back. What does he remember; what did he learn at Trevecca? There was a TRADITION there. The Spirit of friends, classmates and professors, working together for a common goal. People united behind an ideal, an institution, a TRADITION. A TRADITION of Achievement, in athletics, in classes, in friendships, in everything to do the best possible as an individual and as a community. A TRADITION in Lifestyle, to exhibit those qualities taught by Christ, the very best of men. In Academics, to give our time and energy to excel, to strive ever to improve ourselves for the benefit of our common future. A TRADITION of Fun, to give ourselves to the relaxation of enjoying and cherishing that greatest of gifts, life.

The place where lasting friendships are made, great victories are remembered.

OF EXCELLENCE

Using any means possible, we reach for the sky.

Excellence In All

A senior, looking back. What does he remember? Not to be number one, the best of all, but to be the best he can be. Not to climb the ladder using others as rungs, but to rise with the help of, and giving help to, those others. There is an idea, an ideal, called Excellence. It does not mean to conquer, but to live a life of goodness, and love, and sharing; to give in order to receive; to serve in order to lead; to die in order to live; and, through these things, we do not destroy our competition, but rise to succeed together.

Spirit . . .

Sherry Hall's smile shows that true TNC spirit.

Angela Winkle, Sherri White, and Becky Arpino enjoy the spirit of unity in dorm life.

Chris Taylor seems to have the Trojan Spirit, but what about the rest of the fans?

Did Dorcus Smith make an A on that paper?

Cyrisse Bianco has that "RE:D red, H-O-T hot" spirit it takes to be a Trojan cheerleader

Marcie McSwain helps to boost the spirit of fans at one of TNC's home games.

Achievement . . .

Karen Miller, Amy Waters, Rob Melton, and Andy Rutherford provided some entertainment at the successful Thanksgiving Gala.

Fall quarter, a good time for friends to meet and discuss their goals for the upcoming year.

Go for the "goal," Avery!

Friendships are very important for Jeff Allen and Jolene Helmer.

Hey Cleodis! Did you achieve the high test score you had hoped for?

"Well, bless," there's Sammy Jones working on a computer program — Good Luck.

La'tan Roland's beauty, charm, and sunny personality helped her to achieve the title of Trevecca's Homecoming Queen.

Christian

Lifestyle . . .

Prayer and Praise, a time to listen to God's words and to make commitments.

At fall retreat, Todd Wiseman had many uplifting words to share with those who attended.

Kathy Lewis finds solitude outside, where she can meet with God and hear what he has to say.

Hey, Jerry, you don't have to climb trees to get closer to heaven!

At Prayer and Praise, everyone joins to sing and worship together.

Chapel time at Trevecca is a time to learn and enjoy.

Academics . . .

"What did you say God did next?"

Let's see, what's this? *Penicillium*, *Aspergillus*,
Phialophora Verrucosa, . . .

Hours in class — wasted time or a means to a
better future.

Must have been a hard exam.

"Computers, a way to a better tomorrow."

Academic achievement would avail little if there were no one to share the benefits.

Annette Field returns from another vigil at the library.

Angela and Donnie Ward enjoy watching a game of tag football at retreat.

Vicky Hall likes chewing that straw; what about you, Keith LeGrand?

Halloween was a time for Glenda, Tanya, and Lynn to dress up and look pretty ridiculous!

Fun . . .

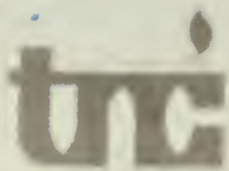

That ride didn't last long.

Rat Days — an enjoyable time for Freshmen. Just think, you were able to eat on the floor.

Mrs. Mildred Brinegar

for your humble service to Trevecca Nazarene College and the friendships you have shared with her students. To a woman who took the time to listen to all, and to give them faith in TNC and in themselves. Guido Sarducci, alias Mark Painter, spreads peace to Trevecca at Halloween.

Shelly Archer and Todd Glass, winners of the chase the apples contest.

This weekend full of excitement officially began Friday, November 11, 1983. Trevecca Trojan basketball hailed in the weekend with their season opener against Cumberland College. At halftime, Miss Latan Roland was crowned the 1983 Homecoming Queen. Others who represented their classes were: Seniors Bev Adams and Nancy Abell, Junior Jeanna Skinner,

Sophomore Jolene Helmer, and Freshman Gwen Rogers. After an outstanding win by the Trojans, Nielson-Young gave a piano concert that was an excellent display of their talents. The weekend came to a close with a Homecoming Concert at College Hill Church featuring each choir and the concert band. Even though the weekend had ended, the memories had just begun.

 And Sophomores!!!

This year Rat Days took on the theme of baby day. The events of the day allowed the freshmen to become acquainted with the "Trevecca Experience," making them well-rounded squares. Sponsored by the sophomore class, Rat Days are provided to promote unity among the freshmen. The activities concluded with a freshman-sophomore Communion service.

Rats . . . = Rats . . . = And More Rats

Rat Randy Hulse stands PROUDLY by his big brother, Scott Wiseman.

In the cafeteria, the rats must sit on the floor and serenade their wonderful sophomores.

Miss Karen Suzanne Miller

1984 Valentine Queen

Through the Years was an accurate theme to describe the 1984 Valentine Pageant. The contestants appeared in the opening as flappers and performed a medley of hits from that era. The girls were joined at one part of the opening by the Trevecca Trevedores, who serenaded the ladies with a selection of love songs, done in four part harmony.

The host and hostess of the evening were Mr. Micheal Johnson and Mrs. Joni Clark. These were the people who kept the show running smoothly.

The pageant contestants were judged in five categories, including casual wear, formal wear, talent, impromptu questioning, and general appearance.

When spectators were asked to comment on the pageant, the statements were all the same. One upperclassman stated that this pageant was "the most organized and smoothly ran event to take place during my years here at Trevecca."

The Valentine pageants at Trevecca have always been a special part of the *experience*, but the 1984 Valentine Pageant will always remain in the minds of many.

The scene set in Grovers Corners, N.H., Emily Webb (Amy Joyner) and George Gibbs (Paul Jones) participated in the daily joys and sorrows of life.

"Noah"

Noah was played by Joey Condon in this story of God's great power and love.

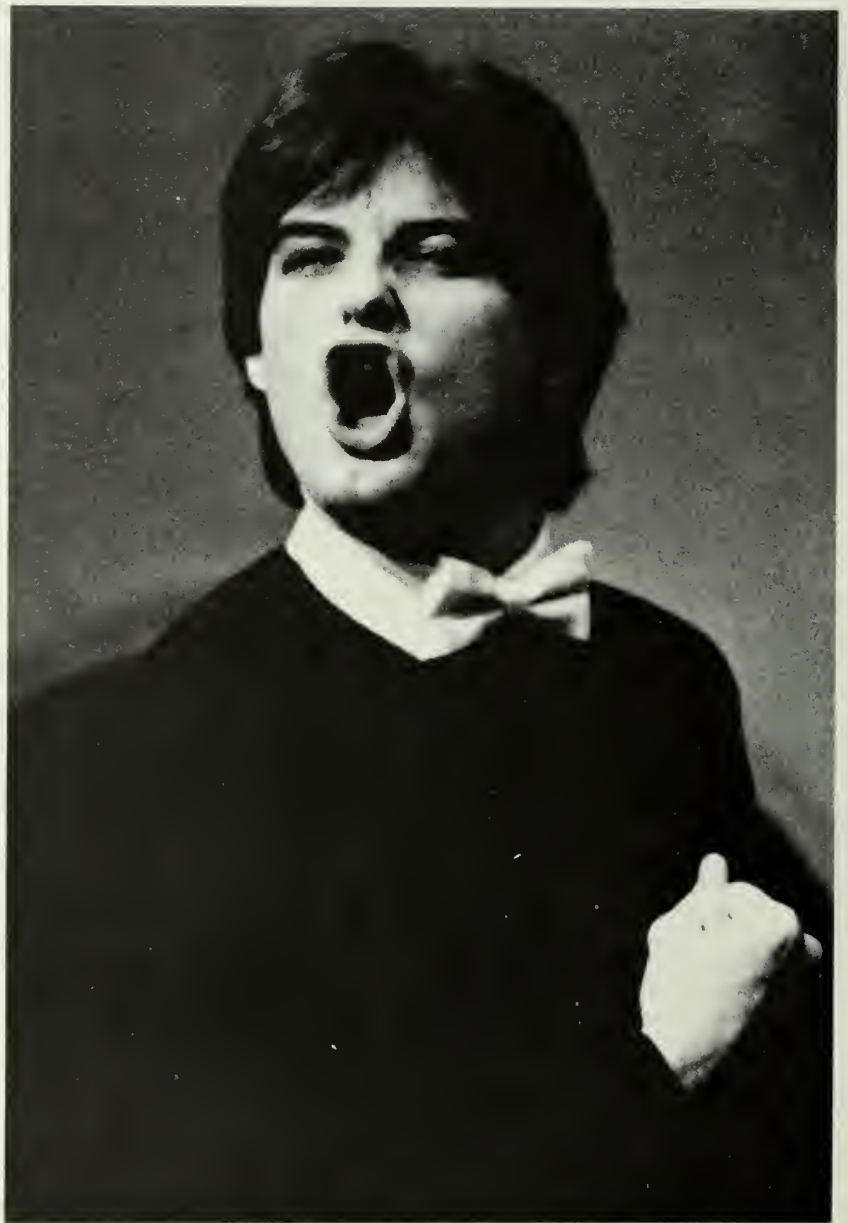

The rehearsals were many, but the rewards far greater. claimed the cast as they completed another successful play.

The temptations of the devil, portrayed by Tim Haynes, proved to be of no avail against the convictions of the Singer.

Paul Jones played the Singer, the character of Jesus, in this play of trial, death, and victory.

G o d s p e l l

The drama and movement of "Godspell" delighted and held the audience.

The life of each character was woven through the play.

Circle K Variety Show

This year's Circle K Variety Show was a tremendous success. Trevecca students enjoyed themselves as they watched their friends perform on stage. As in previous years, all the money raised went to benefit T.P.S. The variety show is a project of Trevecca Circle K and is performed on an annual basis.

Snow!

Mark Hulse and Larry Roberts — the guilty parties?

Glenda Miller, Lee Lawson, and Terry Williams — typical snowpersons!

HOLLYWOOD OR BUST!

This year Trevecca had an abundance of snow. Many of our students took advantage of this and went tubing, sledding, and built snowmen. Some professors may even have let out class for their students to enjoy the snow. Well, I doubt that, but the thrills and chills the wet, icy stuff brought was worth a missed class or two.

Dave Privett, Alias Snowbird

The lovable character Snowbird was created by none other than our own Dave Privett.

Much time, work, and creativity must go into teaching Snowbird his tricks before we may see him on TV.

Junior-Senior Banquet

A Memorable Evening

Eleven members attended the State PBL Convention in Gatlinburg during the first weekend in April. Dee Metcalf was elected to serve as State Chapter President and six members placed first in business competition. 1984 was the second year of existence for this club.

Civitans played an important role in the operation of both area and state Special Olympics, acting as buddies, huggers and whatever else was asked of them. The most important service, according to Carl Sparks — President, was the twice a week visits to a public school, here in Nashville, to ready the students of the special education classes for the Special Olympics. The Civitan motto is "Builders of Good *Christian* Citizenship".

Who's Who

These Trevecca students join an elite group of young people selected from more than 1,000 institutions of higher learning in all fifty states, the District of Columbia, and several foreign nations.

Darrell Lane Wright

Darrell Wright, son of Mr. and Mrs. Floyd Wright, is from Youngstown, Ohio. He is a Religion major. While at Trevecca, Darrell was the president of the sophomore class, ASB President, and a member of Circle K.

The Road Not Taken

"I shall be telling this with a sigh
Somewhere ages and ages hence.
Two roads diverged in the wood, and I,
I took the one less traveled by,
And that has made all the difference." — Robert Frost

Robert Leonard Eicholtz

Rob Eicholtz, son of Mr. and Mrs. Robert Eicholtz, majored in Business Administration. Because his family moved so frequently, Rob claims no home state. At Trevecca, Rob served as chaplain of his sophomore and junior classes and president of his senior class. He also was involved in the Ministry Outreach Team Program and intramural sports.

"Though the fig tree does not blossom,
nor fruit be on the vines,
the produce of the olive fail
and the fields yield no food,
the flock be cut off from the fold
and there be no herd in the stalls,
yet, I will rejoice in the Lord,
I will joy in the God of my salvation.
God, the Lord, is my strength;
He makes my feet like hind's feet,
He makes me tread upon high places." — Habakkuk 3:17-19

Rocky Stan Jenkins

Rocky Jenkins, son of Mr. and Mrs. Paul Jenkins, is from Monticello, Kentucky. He majored in Computer Information Systems and Business Administration. Rocky served as an Admissions Counselor for two years, Student Government Association member for four years, and Associated Student Body Officer for three years. He also participated as a member of Phi Beta Lambda.

"Anyone can complain, but to see precisely what is wrong is a gift; accurate diagnosis comes from a unique power of vision and indicates an equally unique capacity to remedy the fault." — William Ernest Hocking

Nancy Louise Abell

Marc also served as Prayer and Praise songleader and participated in the plays "You're a Good Man, Charlie Brown" and "Carousel."

"Joy is distinctly a Christian word and a Christian thing. It is the reverse of happiness. Happiness is the result of what happens of an agreeable sort. Joy has its springs deep down inside. And that spring never runs dry, no matter what happens. Only Jesus gives that joy. He had joy, singing its music within, even under the shadow of the cross. It is an unknown word and thing except as He has sway within." — Samuel Dickey Gordon

Kandale Joy Archer

Kandy Archer, daughter of Rev. and Mrs. Verlin Archer, is from Albertville, Alabama. While attending Trevecca, Kandy was the chaplain of Civinettes for one year, secretary of Christian Workers in Action for two years, and a member of the Bo Jo Mime Company. Majoring in History, Kandy says she is one of those rare students that just came to college to learn.

"A friend is one to whom one may pour out all the contents of one's heart, chaff and grain together, knowing that the gentlest of hands will take and sift it, keep what is worth keeping, and with a breath of kindness . . . blow the rest away."

— Anonymous

"Satisfaction and self fulfillment can't be given to you, instead you must work to achieve them. Along the same line, happiness can't be bought at any price, but instead it comes as a byproduct to those who show love and kindness unselfishly to others. You can never truly "get Ahead" because there will always be someone just a little bit better, but you can always benefit those who are behind . . . if you take the time and look."

In Loving Memory Of

Woo-Sun Yu

Out In The Fields With God

The little cares that fretted me,
I lost them yesterday,
Among the fields above the sea,
Among the winds at play,
Among the lowing of the herds,
The rustling of the trees,
Among the singing of the birds,
The humming of the bees.

The foolish fears of what might pass,
I cast them all away,
Among the clover-scented grass,
Among the new-mown hay,
Among the hushing of the corn,
Where drowsy poppies nod,
Where ill thoughts die and good are born —
Out in the fields with God.

Consider it pure joy, my brothers, whenever
you face trials of many kinds, because you
know that the testing of your faith develops
perseverance. Perseverance must finish its
work so that you may be mature and com-
plete, not lacking anything.

TREVECCA COLLEGE GOSPEL TRUCK
Here it is at last! Purchased with OCTAGON SOAP COUPONS, 112,000 of them. These were cashed and payment made on this truck. This was not enough to pay the entire amount and we hope the people will rally to us and send in some more right away. This was done by the Improvement League.
While you sit at home on Sunday afternoons and during the week at nights, and enjoy your fireside, this truck will be on the go with spirit-filled men and women, carrying the message of salvation to every nook and corner of this city, such as jails, work houses, County and State Institutions and hospitals. No one has been hurt by the sacrifice made and yet what a blessing this truck will be. We wish that thirty people would send in one dollar each to purchase 1933 license for this new truck. Thanks to one and all who have helped us. This is a brand new Chevrolet truck and the company gave us a good used body. We would like to express to them our appreciation for giving us their profit as well as this body. Through this little paper we have raised about 40,000 coupons.

Yes, the WAY has been long, but we have traveled together . . . in J.O. McClurkan's Gospel Wagon; in Trevecca's Gospel truck purchased with soap coupons; in the Blue Goose; in any means available, but always together. First Church thanks the faculty and student body of Trevecca College for their "service in helping to build the Kingdom. *You are always welcome!*

"A Friend"

A senior, looking back. What does he remember; what did he learn at Trevecca?

... A TRADITION OF EXCELLENCE

After the game, friends unite in a circle to sing our Alma Mater.

The picnic pavillion provides a place for crackling fires, hot chocolate, and warm hearts.

"If you'd stop giggling, we might get something accomplished."

Through the warm seasons of the year, the Living Waters Cascades run down Trevecca's hill.

SPIRIT

What better example of spirit than good sportsmanship and a smile.

The spirit of Trevecca's home city, Nashville, is captured in its skyscrapers and country music.

ASB President Rocky Jenkins served the students as a leader, yet lead them as a servant.

ACHIEVEMENT

Hard work and determination won sophomore Lori Clements recognition in the ice rink.

Circle K achieves through service.

McClurkan, our chapel and religious life building, a place of prayer and spiritual renewal.

Darryl Murray and Leon Patillo share in Christian fellowship before a concert.

CHRISTIAN LIFESTYLE

ACADEMICS

FUN

Greg Kenerly displays his finesse in frisbee catching.

Family ... what Trevecca's all about.

A Tradition of Excellence. That is the theme we chose for the 1984 Darda. Looking back over the past year in the light of this theme, I feel I can say this tradition was again upheld at Trevecca.

As the freshmen came on to campus they were quickly caught up in the lifestyle and ideals of Trevecca, adding their own unique characteristics to our community. The sophomores and juniors continued to grow and learn as they used their special abilities to carry on the TNC Tradition of Excellence. As for the seniors, although they made definite and long-lasting contributions through their years here, they took with them a part of our social ideals which will be carried over into their future.

It is my hope that we the Darda staff have upheld the Tradition of Excellence. We have worked hard and sometimes long in our attempt to depict the past year at Trevecca. This book is the result of our efforts; we hope that it provides you with years of memories of friendships, spiritual growth, academic successes, school spirit, and, above all, personal achievement. We have designed this book with this aim in mind and feel it does and shall accomplish this task with excellence.

In closing, my thanks is due many people. To Carl Eby, Scott Wiseman, and Brian Hulse, thanks for your cooperation in the photography for this book. To Mrs. Carol Eby my advisor, thank you for your encouragement and faith in us. To Todd Glass, my new husband, thanks for writing the yearbook theme and for your hours of tedious work as business manager. And finally, a big thanks to all my section editors and staff for pulling it all together. All of you are the reason this book will be a success.

Sincerely yours,

Shelley Archer Glass

Shelley Archer Glass

P.S. It was all because of you, Rocky!
